Antonio is a place for leaders

Greetings everyone.

I am always inspired when I hear and read about past and present Antonio students, staff and families leading in our community and beyond.

At Antonio we have a wonderful tradition of working in partnership with students and their families to develop leaders for today and the future.

We see every child is capable of leading in their own way at the appropriate time. I see our children of all ages showing leadership to ensure our values of integrity, justice, joy and inspire are lived and experienced in words and actions.

I see...

- Children finding a jumper on the oval and taking it to the owner or someone who can help them do so
- Children helping a friend to find their shoe after leaving the sandpit
- Children cleaning up after a water spill
- Children thanking their teacher for their feedback to help them improve
- Children thanking their coach for teaching them something new
- Children inviting a peer (not their friend) to join in a game when they don't seem to be playing with anyone
- Children apologizing for bumping into another student
- Children celebrating the achievements of others
- Children reminding their friends to help each other reset their learning tools
- Children asking a question to understand another person's point of view

Leadership is not made from standing in front of others and directing others to reach personal needs or goals. There are times when leadership with a strong voice is required, but a strong voice that is respected and respectful of all.

Leadership happens every day in the simple, significant actions and words that inspire, understand others and create life-giving outcomes to be shared.

We have so many students who lead in this way daily at Antonio and I am grateful to be leading alongside them.

Quiz Night Thank you

I would like to thank Lillian, Lucy, Carly, Adele, Julie and the PFC team for coordinating our Antonio Quiz Night last weekend. It was wonderful to see so many people enjoying themselves to support the children and their learning at Antonio. Thank you for supporting this event online or in person when bidding on the silent auction items and purchasing your child's art. Thank you

also to our staff for supporting the setting up and pack up. We look forward to seeing you all in the coming days and weeks for our Sports Day and end of year events to come.

Attendance at School

You can support your child's growth and development by ensuring they are regularly at school to learn and socialize with their friends. Regular attendance supports your child to be a stronger, resilient person who has deeper connections with teachers and friends who can support and be there for them.

World Teachers Day

Friday 29th October was World Teacher's Day. I asked some of our children what they are thankful for with their teachers, and this is what they had to say...

"My teachers help me learn." Angus

"My teacher is really nice." Catherine

"Our teachers organized the Zoo Snooze and help me with RE." Patrick

"I'm thankful for their personalities. They make learning fun and tell a lot of jokes. Morning connections are great fun!" Savannah and Imogen

"Thank you for teaching me soccer Ms. Fairley." Anthony

"My teachers explain learning activities really well." Amaya

Kind Regards,

Anthony Garton
Principal

FROM THE APRIM – Lillian Van Brussel

Last Friday Miss Carol, Miss Noble, Miss Sara and Miss Hannah's classes celebrated a liturgy in the Music Room. Father Roman came along to celebrate with us. The students have been learning about our school value INTEGRITY.

They learned about the Good Samaritan who used his integrity to stop and help someone who was badly hurt by some robbers and left on the side of the road. Others who passed by, and would be expected to stop, were too busy or not interested.

The Good Samaritan who was a stranger in the land and not held in esteem by those in the land he was passing through, stopped and went above and beyond to help. He looked after the wounds of the hurt man and took him to an inn where he paid for him to stay and left money for any incidentals. He even said he would call past on his way back to pay for any amount outstanding.

Antonio students put this story into their own context and responded with such things as using integrity to help the teacher, to pick up rubbish, to help a friend, make 'A' choices and to do the right thing because it is the right thing to do. The singing was vibrant as the children celebrated their liturgy. How wonderful to see stories from 2000 years ago having transferred meaning for our world today.

FROM THE SPORTS COORDINATOR - Amanda Fairley

CARDIJN CUP

On Tuesday of Week 3, our Year 5/6 students represented Antonio in the annual Cardijn Cup. We entered 4 teams in total in AFL, Soccer and Netball. On a warm day our students represented their school well with many being recognized for their sportsmanship and conduct on the field of play.

A big congratulations to our Netball 1 team, coached by our own Tanya Bode, who won the grand final and were overall winners for the day in the Netball. AFL battled hard and finished in the middle of the standings. Our soccer team faced some tough competition. Despite not winning a match for the day, the students battled hard and enjoyed a deserved ice cream at the canteen afterwards!

Congratulations to our individual winners from the day:

- Myah Ford-Wilson awarded overall MVP for netball
- Amelia Labbozzetta awarded the Spirit award for netball
- Bailey Roach awarded the Spirit award for soccer
- Bryce Sim taking out both the Longest Kick and 100m Sprint in the AFL

A big thank you to our wonderful teachers and parent helpers for their support on the day. Without you, our students would not have had this opportunity!

AFTERSCHOOL SPORTS

What another great start to afterschool sport! We have entered a record 5 basketball teams this term. This would not be possible without the volunteer coaches. A big thank you to:

- Tanya Bode
- Andrew Hodgson
- Michael Knowles
- Karli Kanck

Our students are having a ball learning new skills in our R-2 t-ball/cricket program on Thursdays! This program has gained great participation again. Well done all! We can't wait to see your improvement over the program.

SPORTS DAY

14 DAYS TO GO! Students have been practicing hard in PE to be ready for the day.

Letters have gone home this week with team announcements, schedule for the day and BBQ orders. Please return these orders ASAP!

Local Area Coordination Place-based Sessions

Mission Australia is the NDIS Partner delivering Local Area Coordination Services in your area. To support the families of Nativity, Antonio and Emmaus schools, Mission Australia will be based at Emmaus Catholic School to provide information, support and answer questions about:

- Mission Australia and the services they offer
- What services are available for people with disability
- Understanding the NDIS and eligibility, NDIS plan applications and reviews
- Accessing supports and services for those not eligible for the NDIS, or who do not wish to access the Scheme

Mission Australia will be based at:

Emmaus Catholic School - 2 Todd Street, Woodcroft

Every Friday morning starting from Week 3, Fri 29/10/2021

8.30am-1.00pm

No need to register, come along and have a chat

Families from Antonio, Emmaus and Nativity schools are welcome at any session

Delivering the NDIS in your community
