## Years 3 and 4 Giles and Reubenicht Teams Assembly

**"My name is Bailey Roach in 3 / 4 Giles and today I had my head shaved for the Cancer Council of SA. I wanted to do this for my Dad so I can kick Cancer in the butt! Angelo from Tucci Hair Salon volunteered his time to shave my head. Thank you to everyone who has donated to my cause."**

Bailey was aiming for \$500.00 and has been supported with donations to the amount of \$8000.00.

## FROM THE PRINCIPAL

---

Dear Parents and Carers,

I hope this newsletter finds you well.

This week the children learned about the story of Kylie through the **Camp Quality Puppets** presentation who was facing the challenge of cancer treatment. Kylie undertook the treatment with great **courage** which was supported by the love and support of her friends and family.

It was wonderful to see four of our senior students engage in new learning activities with other senior students and leaders from other Catholic schools

they learned more about themselves, they made connections across other schools and developed their capabilities in communication. This **courage** was possible as a result of the support they have experienced at home and school.

As we continue our **master planning** process which will inform and enable our **nature play** development to come to life along with further improvements to our current outside and inside learning spaces, we move forward with **courage** and **commitment**, listening and talking with each other to action and bring our dreams and plans to fruition.

I also recall the **courage** and commitment of my father to work through challenging occupations which did not necessarily match the person he is, to ensure as a growing family with many children, we thrived. This **courage** was not possible without the love and support from my mother who encouraged and backed him in.

It is wonderful to see our children at Antonio trying new things, testing their theories about the world and striving to accept and overcome new challenges as a result of the partnership between their parents, carers and teachers. Whether the challenges are on the sporting field, in the music suite, in the playground or at home, our children will be learning and thriving when the partnership between home and school is visible, constructive and experienced by our children.

If you haven't touched base with your child's teachers recently, I encourage you to do so in person, via SeeSaw or on the phone to keep the learning conversations going and ensure your child continues to thrive and grow. Our teachers enjoy the opportunity to work with you to support your children to thrive as capable learners.

I look forward to seeing you in the coming weeks as we enjoy our 90s Quiz Night, Book Week Parade and activities, Masses and assemblies where we can continue to celebrate achievements, enjoy each other's company, build community and support our children.

Thank you for your support and contributions to our wonderful community. If you have any feedback or questions about school events be sure to speak with your child's teacher, myself or our front office staff.

Anthony Garton

Principal

A composite image. On the left, a young female student with blonde hair, wearing a light blue school uniform, sits at a desk in a classroom, smiling at the camera. Behind her, another student is visible at a desk with a laptop. On the right, there is a dark blue rectangular graphic for "JOSEPH CARDIJN SCHOLARSHIP". It features the "Cardijn College" logo at the top, which includes a stylized cross and flame icon above the text "CARDIJN COLLEGE". Below the logo, the text "JOSEPH CARDIJN SCHOLARSHIP" is written in white, followed by "APPLY NOW FOR YEAR 7" in a larger, bold, white font. At the bottom, the year "2021" is prominently displayed in large, white, block letters. At the very bottom of the graphic, the website address "www.cardjncatholic.edu.au/enrolments/scholarships" is written in a smaller white font.
