

## ATHLETICS CARNIVAL

*On Tuesday Antonio competed in the section three, years 3-6 Catholic Schools Athletics Carnival.*

*45 Antonio students took part in a range of events in a positive and sportsman like matter.*

*We came 5<sup>th</sup> overall and were blessed with beautiful weather on the day. Many of our students received top four place results and wore their ribbons with pride.*

*A special thank you to Michael Taylor who organised the day and made sure everything ran smoothly and the parents who came along to support and assist with transport on the day.*

## FROM THE PRINCIPAL

---

Dear Parents and Carers,

This week the young athletes from our community gathered as a team to represent our school at the SACPSSA Athletics Carnival. I am proud to say that our students competed and supported each other with great spirit and persistence as all good teams do and achieved a range of individual and shared results which were significant. Our team included many students who were competing in this carnival for the first time as well as some who had been previously but were trying new events. They were supported by parents, relatives and staff who provided an example of co-operation and team spirit. Thank you to all of our volunteers and our dedicated staff for ensuring this rewarding activity happened.

I would also like to acknowledge our parent volunteers who prepared and served the PFC special lunch last Friday too. The children enjoyed this special lunch change up and are looking forward to our **community breakfast** this Friday starting at 7.45am before our Grandparents Day assembly at 9.15am.

### Learning Happens Everywhere at Antonio

Last week I was privileged to see one of our wonderful R/1 learning communities testing theories in the sandpit area. The students were posing wondering questions to each other and then sharing their theories on what would happen when mixing substances to recreate volcanoes. The children were full of energy and excitement with a real purpose and spirit of inquiry as they shared their thinking about how they could work together to create a volcano and make it erupt. This learning community then followed this session outside up in the following days to reflect on what they achieved, what was successful about this learning session and what other things they could learn about volcanoes. Learning at Antonio take place both inside and outside with all sorts of provocations and tools to inspire and support us. Our teachers are committed to reflecting with their children to explore and facilitate effective teaching and learning practices.

### Enrolments at Antonio for 2020, 2021

We are confirming enrolment placements for 2020 and 2021 with places in Reception and other Year levels steadily filling. Please contact us ASAP if you wish to enrol a younger sibling or a current student at Antonio or encourage your friends who schools to be in contact with us to book a tour and an enrolment interview. We enjoy sharing our passion and care for working together with the children and families at Antonio and seeing them thrive as capable, developing leaders.

## Enrolling at Cardijn College

As you may be aware, Cardijn College provides a wonderful secondary education with multiple learning pathways that connect with many post-school options. Antonio has a wonderful relationship with Cardijn College where we collaborate to provide a strong R-12 learning journey for all children. To give your child every opportunity to grow and develop in this outstanding R-12 journey, I encourage you to enrol at Cardijn College at your earliest convenience prior to Years 5 or 6. If you would like any further information, please see Di or Tracy in the front office or talk directly to Cardijn College to connect in with a school tour or seek enrolment information using this link <http://www.cardijn.catholic.edu.au/enrolments/enrolment-information> or calling 8392 9449

## SeeSaw App and Absentee Information

I am keen to see the SeeSaw App that is widely in use, be improved further to ensure the major communications through this app are focusing on teaching and learning and produce an electronic journal over the year of your child's progress and achievement both individually and also in collaboration with their learning community. There is an opportunity for children to have agency in this form of documentation and communication that I am looking forward to exploring with staff to provide an enriched resource for conversation and engagement in your child's learning journey.

While SeeSaw is a great tool for communication of teaching and learning, I understand it can be used for passing on constructive, helpful information to staff. If you have any messages for staff that will support their work with your child, the best time to send these are during the regular hours of 8.30am – 4.30pm. Staff will be happy to read and respond to messages as appropriate during or close to these times on their regular work days.

Have a wonderful week ahead with your family and friends and thank you for your ongoing support.

## **Pentecost - a Feast for us all!**

**Pentecost** feast day was celebrated in the church on Sunday 9<sup>th</sup> June. In Jesus time Pentecost was a huge harvest celebration and many people were in the city of Jerusalem for this very special celebration. The disciples were hiding out in fear of retribution. It only a few weeks prior that their dear friend Jesus had been put to death on the cross. They were scared they might be punished for having something to do with him.

**The biblical Pentecost story (Acts 2:1-12)** uses *Wind and fire as metaphors*. It does not say there WAS wind and fire but that something strange and mysterious and powerful happened. The only way people could describe what happened was to say it was LIKE wind and fire. The important thing was not the wind or the flames, but **that people felt for sure that God was with them in a very powerful way**. Knowing that, gave the disciples (who were hiding out in fear) the courage to run into the streets and tell everyone about Jesus. If we know God is with us, do we also have the courage to act in even more loving and compassionate ways?

### *Acts 2:1-8,11b - Pentecost*

*On the day of the Jewish festival of Pentecost, many of Jesus' friends, his mother Mary and some other women were with the disciples, praying in a house in Jerusalem.*

*And suddenly from heaven there came a sound like the rush of a violent wind, and it filled the entire house where they were sitting. Divided tongues of fire, appeared among them, and a small flame rested on each of them. All of them were filled with the Holy Spirit and began to speak in other languages, as the Spirit gave them ability.*

*Now there were people from every nation under heaven living in Jerusalem. And at this sound the crowd gathered and was confused, because each one heard them speaking in the native language of each. Amazed and astonished, they asked, "All these who are speaking are from Galilee? But how is it that we hear, each of us, in our own native language? ... in our own languages we hear them speaking about God's deeds of love."*

*All were amazed and concerned, saying to one another, "What does this mean?"*

Pentecost is really about Jesus' friends *realising anew* that God is with them, they are not abandoned. They are changed by this understanding and inspired to *go out* (take action) to spread the love of God.

**We too can connect** with the church feast of Pentecost and its Christian meaning associated with fire – the Holy Spirit, the spirit of Pentecost, energy, 'cleanser'/preparing the way for growth and our 'passion' for life. Fire might have been seen as a symbol of God's spirit because fire is active, powerful, brings change, cleanses and causes new growth.

Maybe you could take a quiet moment and reflect on a time when you might feel God's spirit of love. When are you brave enough to help others? How can we help others feel that spirit of love?

**Our Mini Vinnie's reflecting the spirit of love as they visit the Hutt Street Centre next week.**

**Thank you to all those who are ordering Milo next Friday to swap for socks which will be part of 'Packs of Love' put together at the Winter Sleep out to hand on to the Hutt St Centre.**

**Any donations of new adult sized socks, scarves and underwear are still very welcome for the team to put together on the night.**

Keep being the fire,

Yours prayerfully, Lillian Van Brussel ©
